LS Celebrates 50th Day of School

Happy 50th Day of School! A popular annual event, the "50th Day" is a fun way to practice the number 50 and engage students in fun activities as we celebrate our accomplishments of being 50 days smarter! So you may be wondering, what do we do on the 50th day of school? We do all the iconic things from the 1950s! From poodle skirts to leather jackets, Mrs. King and Mrs. Osborne's kindergarten students arrived in their best 50's attire ready to participate in a variety of fun, themed educational activities focused around the number 50. Students rotate through stations which include: 50's Day Snack (counting by 5's and eating 50 items), Making Coke Floats (sequencing steps), Bubble Blowing Contest (graphing), and Hula Hooping (gross motor skills). To top off our 50th day of fun, classes ended the day having a ball with a swinging hallway sock hop.
