## 5th Grade's Farewell Bequests

**Chance Evans:** I leave my locker (375) to Macy Evans, Kaleb Funes, and Henry Stevens so they can be on the bottom like I was and be in the same class as I was when they get to 5th grade. | **Ava Matthews:** I leave my kindness, love, knowledge, and my best teachers in the world to the best sisters I know—Savannah and Bevan Matthews. | **Avery Hall:** I leave my lunch seat to Rebecca Hall so she can see out the window and be one of the first in line (also sometimes little kindergartners come to the window and peek in!) | **Breelyn Peed:** I leave Brody Hilton my locker (376) so that he won't have to bend down because he's tall. | **Graylee Parker:** I leave my seat in Mrs. Spell's and Mrs. James' class and locker 366 to Emory Landen and all my love to my teachers—Mrs. James, Mrs. Spell, Mrs. Boone, and Mrs. Bass. | **Elizabeth Woolverton:** I leave Lilly Wells all 5th-grade knowledge and my passion to learn, and my 4 amazing teachers to you so you can get amazing grades and follow your dreams! Love you Mrs. Boone!

**Emma Blanchard:** I leave my bad handwriting to Britton Blanchard so she will always remember her amazing sister. | **Kenzie Jackson:** I leave my locker (364) to Jace Jackson so he will always remember that lockers help with carrying textbooks! | **Parker Thompson:** I leave my love for Greek Mythology, my great teachers, and my locker (372) to Savannah Kate (my best friend). I would also like to leave her my happiness. | **Lily Kathryn Hobbs:** I leave my happiness and love to Saylor McGuirt so she can always be happy and loving to other people. | **Brooklyn Bryan:** I leave Isla Blanton my love of the Miami Dolphins football team and great years of lower school. | **Sophia Gynp:** I leave to Sadie Floyd my happiness, love, and sense of humor so people will like you and that you have a good stay at HCA. | **Lilly Kate Rogers:** I leave Herring my speed on the football field. Lower School Field Day is scheduled for Friday, May 13th! This year's fun-filled day will begin around 8:15 and continue until 11:30. Lunch will be served at the regularly scheduled times.

Field Day is something that all Lower School students look forward to every year. Throughout the morning, students in grades K-5 will rotate through one of six activity stations every 25 minutes. Among the many games, there will be water activities, so parents please plan on your child getting wet. Students may wear bathing suits and comfortable athletic clothes. Girls should plan to wear one piece bathing suits under their athletic clothing and boys should wear bathing suits with a t-shirt. Also, sneakers are required to participate in Field Day. Please apply sunscreen before arriving at school and send the product for re-application during the event.

Families are invited to join us to observe the activities and have lunch. If you plan to attend, please fill out the Field Day form found in your student's Tuesday folder, and if you have any questions, please email lbundy@harrellsca.com.

See you on the field!
